Alan,

The Port has not returned theirs yet. I was in the Port building last week and stopped by to see Michael Cham and it was sitting on his desk.

He told me not to worry about it.

Then, yesterday I called him again and he told me again not to worry about it. He gave me impression that I was bothering him. I immediately called Augie and he (jokingly) said that I was bothering him too. Anyway, he said that he was going to speak with Michael.

Anyway, it is sitting on Michael's desk but I do not know the reason why they haven't sent it. He did not give me a reason.

Lorena-

Done, it will be in the mail today. Did the port return theirs and do we know how many have been returned and what % have voted yes?
